

## POLIO RAVIVAR BY DAVIM ROTARACT CLUB

The Polio Campaign is a flagship programme of Government of India and Rotarians remain a good ambassador of this programme. Hence, DAVIM's Centre for Environment along with its Rotaract Club in association with Rotary Club of Faridabad organized a Polio Ravivar, where in the Rotaract club members and volunteer students were allocated 10 Metro stations, Bus stands and Railway to spread this polio campaign on 17<sup>th</sup> September'17. This CSR social activity, was organized to make the students understand the need to give back to the society what they take from it, compassion, care and zest to indulge in life saving activities. The Head of the Institute, Dr. Neelam Gulati, appreciated the efforts of Dr. Nidhi Turan and CFA Vandana Jain , head of Rotaract Club and Centre for Environment Club of DAVIM and their Rotaract members and thanked the Rotary club to include DAVIM in such a noble task.
