SWACHH BHARAT ABHIYAN AT DAVIM

DAVIM students took a pledge to maintain cleanliness in and around their surroundings as their bit to do something for the Swachh Bharat Abhiyan- clean India mission - a campaign by the [Government of India](#) to keep the streets, roads and infrastructure of the cities, towns and its rural areas clean. DAVIM family under Student Welfare Department of the Institute joined this social cause by motivating the students not to litter and not letting others litter. To make successful attempt in remembering in keeping the environment clean the students also filed a questionnaire on why should they keep the environment clean and the hazards to be faced if failed to do so. The Head of the Institute Dr. Neelam Gulati appreciated the efforts put in by the Student Welfare Department for this social cause that motivated the students to pursue their goal in the right direction. She also encouraged the students to take this task as their prime task under Social Responsibility to be followed for the society. She promised to encourage such kinds of activities on a regular basis in the Institute.
