

AWARENESS PROGRAM ON ORGAN DONATION

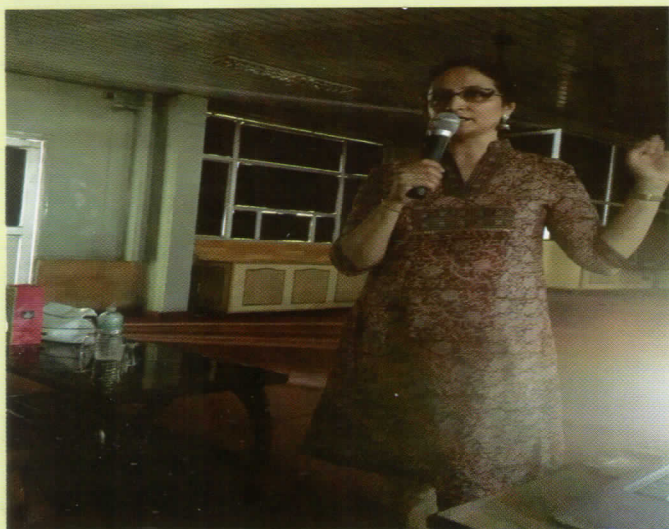

"Don't think of organ donation as giving up part of yourself to keep a total stranger alive. It's really a total stranger giving up almost all of themselves to keep part of you alive." Anonymous

DAV Institute of Management, Faridabad, following the DAV philosophy, generated in their Post Graduate, M.B.A and M.C.A students and the Faculty members, awareness on Organ Donation on 11th September 2015. The seminar was initiated by qualified trainers from MOHAN Foundation, Multi Organ Harvesting Aid Network., which is a not-for-profit, registered non-government charity organization in India that works in the field of deceased organ donation and transplantation.

The session was conducted by their core trainer and a great humanist Dr. Muneet Sahi and her companion Chaitanya. In the session, Dr. Muneet explained the concepts of organ donation and transplantation primarily focusing on the types of donations, how to diagnose brain death, tissue donation and the Transplant law of India. She concluded the session by showing a short film on brain death. She vested on Vedanta philosophy that rests on giving and serving. She postulated, "What we take with us are results of good karma. We don't take our bodies after death." Almost 250 participants attended the session and around 190 donor cards were picked up.

The Head of the Institute Dr. Neelam Gulati thanked Dr. Muneet Sahi and appreciated her efforts in propagating the advantages of Organ Donation and herself pledged to be a proud donor. She added that theirs was an important step towards breaking the myths of people in organ donation and towards spreading the message of humanity. She also felt proud of her students for promising to spread the awareness amongst their group and thanked the faculty for coming forward and pledging their organs.

The seminar culminated with **Dr. Neelam Gulati** quoting **Winston Churchill's** words, "**We make a living by what we get, but we make a life by what we give.**"

CAREER IN BANKS AND E-ACCOUNTING

A seminar on "Career in Banks and E -Accounting" was organized by HDFC Professionals on 6th and 7th August 2015 for undergraduate management students. Their focus was based on four core values – Customer Focus, Operational Excellence, Product Leadership and People. It was attended by the Under-Graduate Management and IT students with great enthusiasm.

CAREER IN CIVIL SERVICES

A workshop on "Career in Civil Services" was organized on 21st August 2015 for students by joining hands with Bharat Academy of Civil Services. The motive of workshop was to make students aware of the eligibility for the civil services and of how to prepare for the qualifying examination.

The civil services examination is basically a test to choose suitable administrators. It tests the candidate right from the stage when one starts to prepare. A candidate should have the right frame of mind and the will power to succeed in the exam. A proper action plan is needed for the preparation itself since he /she will be tested for some essential qualities like power of retention, clarity of concepts and ability to identify the correct alternatives with efficiency and accuracy. All this require the power of quick decision making. The workshop covered all the mentioned above frames.

GAIETY CELEBRATIONS WITH ROSHNI (NGO)

One can get happiness by spreading it and following the legacy of Anglo Dayanand Vedic Culture, the faculty of DAVIM brought smiles to the faces of the little angels at Roshni foundation by celebrating their birthday.

B.Sc (Hons) Computers Science Department celebrated kids' birthdays by distributing sweets and gifts to Roshni foundation school children on 26th September 2015. The Head of the Institute, Dr. Neelam Gulati, also did her bit, in this social cause by giving cash donation for children.

DIWALI MELA - ROSHNI(NGO)

Following the tradition of social service, DAV Institute of Management, Faridabad, took the initiative for organizing the Diwali Mela on 8th Nov'2015, for under
