

TEACHER DAY ACTIVITY (5-9-17)

DAV Institute of Management came up with an idea to acknowledge the relation that a student and teacher share on teachers' day i.e. 5th Sep 2017. We have planned to place a banner in the institute. Wherein, students were requested to mention a message for their favourite teacher along with their name and detail. Students put their best thoughts into writing and appreciated their favorite teachers. It was a proud moment for the teachers. It is truly said

“Everyone who remembers his own education remembers teachers, not methods and techniques. The teacher is the heart of the educational system.”
